Why Sponsor?
The National Association for Rural Mental Health invites you to sponsor an event at our annual conference. This year's conference theme, Beyond Treatment: Tackling Social Determinants to Improve Rural Mental Health, broadens our content area and reaches new stakeholders! NARMH sponsors receive exposure in promotional print materials and on the NARMH website — plus, depending on sponsorship level, complimentary conference registrations. NARMH 2020 offers a unique opportunity to reach clinicians, administrators, physicians, consumers, family members, program and service providers, researchers, and policymakers with your marketing message.

The mental health of individuals and families in rural communities is influenced by so much more than a diagnosis. While access to evidence-based treatment and services is critical, we know that a host of nonmedical factors — “social determinants of health” — also affect the well-being of individuals and families. Your sponsorship will help support our vision of tackling social determinants to improve rural mental health!

CONFERENCE SPONSORSHIPS
Sponsors should submit a sponsorship agreement form no later than July 24, 2020 to be included in the conference program. Partial sponsorship of events will be considered. We hope you will take this unique opportunity to show your support for rural mental health and to share your message with professionals and others living and working in rural areas.

Full Conference Sponsorship
Sponsors at this level will be listed on all conference materials and announcements, provided a complimentary exhibit space, and receive special recognition at the opening conference event and on the NARMH website. Full conference sponsors will receive two complimentary conference registrations.

Rural Arts Reception Sponsor
Sponsorship will help cover costs for evening entertainment recognizing rural arts. NARMH’s Rural Arts Award recipient will be recognized during this event. Reception sponsors will be recognized in conference materials, at the reception, and on the NARMH website. The sponsor will receive one complimentary conference registration and a complimentary exhibit space.

Wi-Fi Sponsor
Wi-fi sponsors help to pay for the cost of wi-fi at the event. Wi-fi sponsors will receive special recognition in conference materials and one complimentary conference registration.

Conference Track
Associate your organization with an entire Track! Program tracks will relate to rural mental health across key social determinant categories:

1. Mental Health, Health, and Health Care, including integrated behavioral health and primary health care; access to health services; telehealth; and health technology.
2. Social and community context, including perceptions of discrimination and equity; social cohesion; civic participation; homelessness; and incarceration/institutionalization.
3. Economic stability, including employment and poverty.
4. Education, including school-based mental health programs and school policies that support health promotion.
5. Neighborhood and built environment, including quality of housing; crime and violence; and access to healthy food and nutrition.

Track sponsors will be recognized in conference materials, at track sessions, and on the NARMH website. The sponsor will receive one complimentary conference registration.

National Associations and Foundations
NARMH welcomes sponsorships from national associations and foundations that share common interests in addressing rural mental health by tackling social determinants. Sponsor will receive one complimentary conference registration and special recognition in conference materials.
